From Yesterday's Second Edition.

MUNICIPAL AFFAIRS.

Proceedings of the City Council Last Night.

The Board met as usual last night, Mayor Luttrell presiding, and the following Aldermen present: Allison, Stephenson, Burrier, Lyons, Hockenjos, Lewis, Shea, Dickson, Patty, Boyd and Irvin. The minutes were read and approved.

The following bills were presented by Alderman Allison, chairman of the Finance Committee, properly approved and passed for payment:

J. M. Havelly, \$600
Hunter & Co., 300
Phillips, Moffat, macadam rock, 37 40
C. F. Youngblood, 23 00

On motion of Alderman Allison, C. F. Youngblood was allowed an advance of 25 per cent. on his bill for wages as lamp-lighter, noted above, to cover the advance in price of coal oil and other articles used by him, and the depreciation in price of scrip.

Alderman Shea offered an ordinance, which was passed on first reading, providing that when an Alderman absents himself from two successive meetings of the Board, without sufficient excuse, his office be declared vacant.

By request of Alderman Shea, lamps were ordered erected on Willow and Morgan and Dept streets, and at the request of Alderman Dickson a post was ordered at the corner of Church and Main streets, in East Knoxville.

On motion of Alderman Hockenjos, the condition of Patterson street was called to the attention of the Street Committee, with request to investigate.

On motion of Alderman Stephenson, the Chairman of the Finance Committee was instructed to purchase a safe for Recorder White, if one can be had on reasonable terms.

With reference to the case of the so-called defecation of P. Shropshire, formerly Market Master, Alderman Burrier reported that upon thorough investigation he found that Mr. Shropshire does not owe the city anything, and on motion, it was ordered that Mr. Shropshire be given a clear receipt.

Adjourned.

Glycerine Shoe Polish, a new and good thing, at H. W. Hall's.

The Templeton Monday Night.

As may be seen elsewhere, the favorite Templeton Star Alliance Fashion Opera Company will positively appear at Staub's Opera House next Monday night. The coming of the Templetons is always looked forward to with intense anxiety by Knoxville play-goers, and this time it is doubly so, from the fact that their attractions are so much greater. They open Monday night in that entirely new and sensational opera and grand military pageant, "Prince Napoleon, or the Fatal Field in Zululand." No one should fail to see this grand piece of stage work. Since the Templetons were out this season, the press wherever they have gone have been more profuse than ever in encomiums of praise for them, so that our Knoxville amusement lovers may look for something real in the way of amusements. Seats are now on sale at the East Tennessee Book Store. The attractive bills were put on our boards yesterday. Everything promises them a grand and hearty reception Monday night.

Right Time to Operate in Stocks.

By recent communication with prominent stock operators, we learn that this is a favorable time to take advantage of the stock market, by the new combination method of Messrs. Lawrence & Co., the New York bankers, who have been so remarkably successful heretofore. This system is founded on correct rules of finance and is universally approved by the shrewdest operators. The orders of thousands are massed into one immense capital, and operated as a great whole, dividing profits *pro rata* every month. In this way any customer can invest from \$10 to \$10,000 with equal proportionate success, and at the same time gain all the advantages of largest capital and best skill in manipulating the market. This firm's new circular has "two unerring rules for success," and full explanations. \$50 will make \$250, or 5 per cent; \$500 will return \$3,000, and so on, according to the market. Stocks and bonds wanted. Deposits received. Apply to Lawrence & Co., Bankers, 57 Exchange Place, New York City.

Wonders Will Never Cease.

One of the most instructive and ingenious musical instruments is the New Organette. It is not as large as a hand-organ and makes music equal to a large organ and as loud as a piano. So simple that a child can play it. We recommend it to every one. There is nothing so much needed in a family as music, and we dare say there is nothing so much neglected. The patentee of such an instrument will surely have a lasting monument erected to his memory. It may be some time before they will be generally distributed through this country, and we advise those who can procure one to do so. It is not only a great source of amusement to grown persons, but instructive to children, and so reasonable that every family can afford to have one, the rich as well as the poor. It will have to be seen to be appreciated.

Never Returns.

It is said that one out of every four real invalids who go to Denver, Col., to recover health never return to the East or South, except as a corpse. The undertakers, next to the hotel keepers, have the most profitable business. This excessive mortality may be prevented and patients served and cured under the care of friends and loved ones at home, if they will but use Hop Bitters in time. This we know. See other column.

A High Reputation.

For years the firm of Steele & Price have deservedly had a high reputation for the excellence of their Dr. Price's Cream Baking Powder and Special Flavoring Extracts. They have now added a line of Unique Perfumes, rivaling in excellence the perfumes of this or any other country.

SOUTHERN METHODIST.

Session of Holston Conference of the M. E. Church, South, at Abingdon, Virginia.

THIRD DAY.

ABINGDON, VA., Oct. 24, 1879.

The first business for to-day was the reception of a report from the committee of investigation in the case of I. S. Hoskins, mentioned in yesterday's issue. They stated that they deemed a trial necessary. A judicial committee of nine ministers, Wm. Hicks chairman, was appointed; R. N. Price, prosecutor, and John M. McTeer, by request, for the defendant.

Rev. Mr. Staples, agent of the American Bible Society, Rev. Mr. Toy, of the North Carolina Conference, and Rev. Dr. Barr, of the Methodist Protestant Church, were introduced—the first named gentleman addressing the Conference and requesting co-operation in the work in which he is engaged. Rev. Dr. Shield is a brief but earnest speech in that behalf.

Eight preachers having completed their two years probation in the itinerant work and having passed an approved examination on the prescribed course of study were admitted into full connection. The remarks of Bishop Pierce to this class were pointed and profitable. Four members of the class were continued on trial and four elected to Deacon's orders.

George Stewart was granted a superannuated relation; I. S. Ross and M. D. Thompson were allowed a location. Seven Deacons of one year having passed the requisite examination in the course of study were advanced to the class of the fourth year. Seven others having traveled two years since their ordination as Deacons and being recommended by the committee of examination in the course of study or the fourth year were passed and elected to Elder's posts. Six were continued in the class of the fourth year.

Four local preachers were elected Deacons, and two elected Elders. J. T. Frazier preached this afternoon and Dr. E. N. Shield of Richmond, is preaching at this writing.

The attendance has been quite increased by the arrival of delayed members. The spacious town hall in which the sessions are held has been crowded during the day by visitors interested in the proceedings.

Olives, Kruit, Grated Horseradish, Cranberries, Salad Oil, Capers, Mince Meat, Avena, at Hudiburg's.

Funeral of Major Thornburgh.

The Omaha News of Tuesday evening mentions the arrival at that place of the remains of the late Major T. T. Thornburgh, and the preparations for the funeral. It says:

The funeral is, by direction of De Moay Commandery No. 4, Washington, D. C., of which the deceased was a member, to be conducted by the order of Knights Templar and the services will be after their ritual, to be conducted by the Reverend Sir F. T. Webb, of Council Bluffs, Acting Private, and Eminent Sir E. A. Allen, of St. Calvary Commandery, No. 1, of this city.

The hall has been suitably draped after the Templar designs, and presents a peculiarly beautiful and impressive aspect. Two-thirds of the spacious lodge room is taken up by a large tent of black, draped with white interwoven with black, while the "east" is covered with the national colors and the Master's chair, altar and other furniture, with mourning. Directly back of the Master's chair is a large cross of black and white. In the centre of the tent, which represents that formerly occupied by Knights of the olden time, is the catafalque, composed of an elevated platform, for the body, with the four pillars, surmounted with pilasters, at the four corners. Across the top is a canopy of black velvet, heavily bordered with silver and adorned with bequests of flowers at each corner.

There is also a chair, draped in the same sombre hue, at each corner of the catafalque which will be occupied by the guard of Sir Knights, which will be kept on constant duty from 4 p. m. to-day until to-morrow afternoon. Twelve wax tapers are arranged at the ends and sides of the bier. In the west end of the room hang, furnished by the military department, at Fort Omaha, cover the walls and ceilings.

A photograph of the dead soldier, surrounded by a wreath of flowers, rests at the foot of the catafalque. The outer interior arrangements are much the same as those at the funeral of Hon. Frank Welsh, in September, 1878.

Persons.

Rev. C. B. Sparrow, the new preacher at the First M. E. Church, enters to-day upon his pastoral charge. It is desired that there shall be a good attendance at the Church, both morning and evening.

A number of Knoxvilleans returned yesterday from attending the Synod at New Market. Among them we noticed, Prof. John Marshall and little daughter Mary, Mrs. C. J. McClellan, Mrs. Wm. Aiken, Mrs. W. F. Cummins, Miss Ella Locke and others.

Mrs. Smith and Mr. Hat Dick, salesman at Anderson & McNulty's, went up to New Market, yesterday evening, to attend Synod.

Rev. F. E. Sturges, pastor of the Second Presbyterian Church, is attending Synod at New Market, and is to preach there to-day.

Mr. E. B. Miner, the popular harness maker at Sweetwater, is on a visit to friends in the city, and made the CHRONICLE a call last night.

About a Pill.

To tell making there is no end, but it is no easy matter to get one that will do what it claims to do. They all look alike, and the only way to know what kind to buy is to try them or take one well known of good reputation, such, for example, as Dr. Hart's Anti-Bilious Pills. These, no doubt, are good, probably the best in the market, and for the ordinary diseases we are subject to, rarely fail to give relief.
